BATTERY INSTALLATION

1. Unscrew the battery compartment using a Phillips screw driver (not included).
2. Insert 2 x AAA batteries (not included) into the battery compartment of the AR bow.
3. Ensure the batteries are the correct polarity (-/+); close the battery compartment and tighten the screw.

3

OPERATION

1. Download the iOS™ or Android app

App Name: SuperArcher

ANDROID

APPLE

2. Press the power button on the AR bow, you will see the LED light flashing blue.
3. Open the SuperARcher app on your smartphone and it will automatically pair with the bow.
4. Once the AR bow is connected, the LED will stay lit.

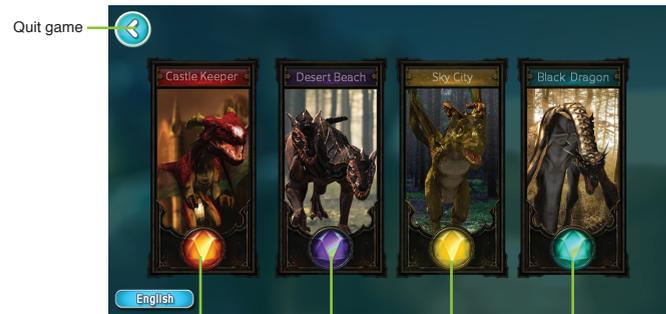

Note: Press and hold the power button for up to 5 seconds to turn the bow off.

4

PLAYING "SUPER ARCHER"

SUPER ARCHER is a fantasy style AR archery game. Protect your castle from invading dragons, before the dragons destroy the castle!

SUPER ARCHER HOME SCREEN

Select one of three castle worlds to defend from the dragons!

Play hunting missions with changing objectives!

LEVEL SELECTION SCREEN

Select any one of the multiple difficulty levels.

GAMEPLAY SCREEN

★ Tip. Make sure to move your smartphone and bow up, down and around all 360° to find all the dragons!

★ Tip. Use Button "A" on your bow to zoom in on your target.

★ Tip. Use Button "B" on your bow to quickly cycle between skills.

Touch to select one of four skills.

BATTERY SAFETY

- Batteries need to be inserted using the correct polarity.
- Do not mix alkaline, zinc carbon or rechargeable batteries together.
- Do not mix old and new batteries together.
- Do not short circuit the battery terminals.
- Rechargeable batteries should be charged under adult supervision only.
