

sphero edu SPRK+

THE SPRK+ ROBOT was designed to inspire curiosity, creativity, and invention through connected play and coding. Powered by the Sphero Edu app, you can easily learn programming, complete hands-on activities, and share your creations with the community. Navigate a maze. Program a painting. Mimic the solar system. Swim across the water. Have a dance party... The only limit is your imagination.

Sphero Edu and SPRK+ allow you to collaborate with other users around the globe to innovate the world of education and empower anyone to program. Equipped with Bluetooth SMART and a strong scratch-resistant UV coating, SPRK+ takes hands-on learning up a notch. Join the growing community of makers, students, instructors, and parents – all learning on the same social platform. SPRK+ will foster a love of robotics, coding, and STEAM principles... all through play. Learning is evolving. Get on the ball.
