

| Model          |  | QJ05T-Tuya   |
|----------------|--|--|
| Picture        |  |  |
| Chipset Infos  | Chipset  | INGENIC T21  |
|                | CPU  | Single core 1.0GHz   |
|                | RAM  | 16KB L1 I-Cache and 16KB L1 D-cache.<br>64KB L2 Unified Cache. Capacity of 512Mbit |
| Video          | Sensor Type  | 1/2.9 Inch CMOS sensor(F23)  |
|                | Pixel  | 2.0mp 1080P  |
|                | Min. LUX   | 0.1Lux   |
|                | Video Coding   | H.264, MJPEG   |
|                | Code Stream  | Double stream  |
|                | Coding   | Support CBR/VBR  |
| Lens           | Lens Type  | Full glass lens  |
|                | Lens   | Focus: 3.6mm, Aperture: 2.4  |
|                | View Angle   | 60°  |
| Night Vision   | Infrared Light   | 6pcs Infrared light, wavelength 850nm, range: 15m                                  |
|                | IR-CUT   | IR-CUT double filter   |
|                | Photosensitive   | Sensitivity 0.7Ω/Lux   |
| Audio          | Audio Coding   | ADPCM  |
|                | 2 Way Audio  | Support  |
|                | Built-In Mic   | Support  |
|                | Extend-Mic   | No   |
|                | Built-In Speaker   | Support(8Ω1W)  |
|                | Extend Speaker   | No   |
| Connection     | Network Protocol   | HTTP, TCP/IP, SMTP   |
|                |  | DHCP, RTSP, ONVIF, P2P/Tuya  |
|                | Wired Connection   | RJ45 port  |
|                | Wireless Network   | WIFI(IEEE 802.11b/g/n)   |
|                | Wireless Connection  | WIFI Connection  |
|                | Connection   | QR code to connect and wire network  |
|                | AP Hot Spot Connection   | No   |
| P2P Connection | Support  |  |
| Alarm          | Motion Detection   | Support,High Sensitivity/Medium/Low three adjustable                               |
|                | Sound Detection  | Support,High Sensitivity/Medium/Low three adjustable                               |
|                | Alarm Message Push   | Support  |
|                |  |  |

|                        |                        |   |
|------------------------|------------------------|---|
| <b>Storage</b>         | Storage                | Support 64G TF Card                         |
|                        | Cloud Storage          | Available                                   |
| <b>Weight And Size</b> | Product Size(mm)       | 69(L) x 69(W) x 183(H)                      |
|                        | Color Box Size(mm)     | 220 x 105 x 130mm                           |
|                        | Net Weight(g)          | 375g  |
|                        | Full Package Weight(g) | 620g  |
|                        | Box(PCS)               | 20pcs                                       |
|                        | Weight(Kg)             | 12.5Kg                                      |
|                        | Dimension(mm)          | 550x450x270mm                               |
| <b>Physical</b>        | Waterproof             | IP66  |
|                        | Power Supplier         | DC12V/1A                                    |
|                        | Working Humidity       | 20%~85%(Non-Condensing)                     |
|                        | Working Temperature    | -10°C~60°C                                  |
|                        | Storage Humidity       | 0%~90%(Non-Condensing)                      |
| <b>APP</b>             | APP                    | Smart Life/TuyaSmart @Google Play&App Store |
|                        | Support Mobile Phone   | IPhone and Android Smart Phone              |
| <b>Certification</b>   | CE, FCC, RoHS          |   |
| <b>Pack List</b>       | Color Box              |   |
|                        | Power Supplier         |   |
|                        | Screw                  |   |
|                        | RJ45 cable             |   |
|                        | User Manual            |   |
