WEATHERPROOF*

4G CELLULAR#

app cam Solo 4G PT

4G CELLULAR# 100% WIREFREE 1080P PAN & TILT CAMERA

SOLAR PANEL

Connect the included Solar Panel to the App Cam Solo 4G PT to receive non stop power for your battery, allowing it to recharge during daylight conditions. Easily position the weatherproof* solar panel to maximise sunlight exposure†.

THE ULTIMATE IN FLEXIBILITY,
DESIGNED SPECIFICALLY FOR
AREAS WITHOUT WIFI

BUILDING SITES

CARAVANS

SHEDS

FARMS

MARINE

100% Wire-Free Camera

Free from ugly cables and wiring hassles.

Solar Power Compatible

Connect the included Solar Panel for non stop power for battery recharging during daylight conditions†.

Thermo Sense Technology

A smart heat and movement sensor that eliminates any false triggers and ensures you are alerted to real alerts.

Full HD 1080p

Get crystal clear vision with true Full HD 1080p. View live streaming in more detail.

Pan & Tilt

Rotates 355° horizontally and 140° vertically to cover every angle of your house.

4G Nano SIM Card Connectivity

Allows 100% flexibility, allowing placement where a WiFi network is not available. Simply choose a data only plan# from your preferred carrier and insert their supplied sim card (Nano SIM Card not included).

Rechargeable Battery

Works without being plugged in. Long-lasting on one charge and compatible with the Uniden Solar Panel.

SD Card & Cloud Backup

Micro SD card (not included) for local storage and cloud backup for offsite storage. 7 Days of FREE rolling Cloud Storage is offered with longer paid plans available.†

Weatherproof Design (IP64)*

Place the camera outdoors or indoors, without worrying about the weather. Uniden App Cam Solo 4G PT guards you rain or shine.

Starlight Night Vision

Starlight CMOS sensor offers clearer night vision, up to 10 metres.

Wide Viewing Angle

Wider field of vision to cover more of the property.

Smart Intelligent Alerts

Get instant app push notifications, email and sound alerts when danger happens.

Privacy Masking

Black out areas within the camera's view that you don't want to be recorded.

Customised Voice-Recordable Alerts

Broadcast the personalised voice alert when motion is detected.

Siren Alert Trigger

A siren, built into the camera, to deter unwanted visitors.

Two-Way Talk

Listen to what's going on and talk back through the built-in mic and speaker.

Motion Detection Record

Save motion events on micro SD card (not included) or Uniden Cloud for later playback.

Low-Battery Notifications

Informs you when battery capacity reaches 10%.

Rapid Wake-Up

Wake-up at once when you view live streaming, or when motion events are detected.

Innovative Installation Design

Included bracket and accessories help it blend in to most environments.

Some jurisdictions and authorities may regulate the use of surveillance products. It is the buyers responsibility to ensure they comply with the appropriate regulations when using this product. *IP64: No ingress of dust; complete protection against contact. Water splashing against the enclosure from any direction shall have no harmful effect. † Ensure solar panel is directed at sunlight. Different weather conditions in Australia and New Zealand can affect the rate of charge to the battery. ‡ Cloud Backup records up to 480P resolution. Subscription needs to be renewed every month. #Requires 4G data plan for the camera and internet connection for the smartphone. Minimum Network Bandwidth Requirements: For optimal performance of the smartphone app we advise a minimum network bandwidth of 4Mbps for Full HD (1080P) live stream, 2Mbps for HD (720P) live stream and 0.8Mbps for 352P live stream. If these bandwidth requirements are not met the live stream may not connect and will not be viewable on your smartphone. Motion Detection: Motion detection can be triggered by the PIR sensor in the camera. The PIR sensor only detects objects with heat up to 10 metres away and in the line of sight. At night, or in darkness, monitor motion detection sensitivity is not as effective as in daylight hours, as it relies on night vision capabilities.
